Yes, he deserves a lot of credit. It is mighty hard to "come back."  
We hear this remark frequently. What is meant by "coming back?"  
Simply not losing your grit. It takes a mountain of grit to succeed, and those that succeed have it. It does not take much grit to start a savings account, but it takes some to keep at it.

The stamps are not required to be placed on railroad passenger tickets, but a charge of one cent is made of the company operating sleeper and parlor cars. The regulations also provide that packages shipped under a parcel delivery system such as the Baltimore & Ohio operates for convenience of commuters and others along its lines in certain territories must pay a tax of one cent where the charge is more than five cents. Special baggage cars containing theatrical equipment or other special shipments must pay a tax of one cent.
